Welcome to Wentworthville Baptist Church.

Please feel free to join everyone in the Hall after the Service for
morning tea and fellowship.

*Take my yoke upon you and learn from me, for I am gentle and
humble in heart, and you will find rest for your souls. — Matt 11:29*

The fellowship meal will be a chance for us to get together as a church family outside of 'church' and discuss the feedback from the pastoral and church reviews which will be made available later in August.

Maisie Horswell, Dot Blackman, Carmen Strudwick, Ivy Bornefeldt, Edna Norman, Lyn Davis, Marie Smith.

PRAYER & PRAISE

- **IB PEOPLE:** Thank God for the way Dave and Edwina have been included in the important family events of their IB friends in South East Asia. Pray that these friendships will continue to grow and there will be more opportunities to share faith stories. Due to internet troubles, Dave is having regular contact with the local IT specialist. The relationship is building through their regular conversations. Pray that God would continue to guide Dave and Edwina to grow these incidental connections into deeper relationships.
- **IS PEOPLE:** Pray for Andy and Wanda as they seek to build relationships and empower the IS community through the Community Environmental Improvement and Café ministries. Give thanks for the joy Wanda finds in the running of Café and for the opportunities she has to input spiritually into the lives of the staff and their families. Pray for openness from staff as they hear from Andy and Wanda at their weekly staff meetings. These have recently included discussions on character and holiness. Thank God for the natural way speaking about the Community Environmental Improvement project offers Andy to share the story of creation and God's love. Pray that these conversations will lead to more questions and openness to hearing about the message of Jesus. Pray also that the project will receive the necessary registration in a timely way.
- **IB and IS:** Praise God with Dave and Caz for the new work visa Dave received. Pray that God would give them wisdom as they evaluate opportunities and make decisions about the team's ministries in South East Asia. Pray also for good relationships and understanding between the team and the local board they partner with as they discuss new community initiatives. Dave has begun a series of devotions with local staff on guarding the heart and developing a Godly heart. Thank God for the opportunity of these discussions and pray for spiritual growth among the staff.
- **ETHNIC THAI:** Remember Dema and Carolyn as they transition into their new community in Thailand. Give thanks for the opportunities they have had to connect with local people including sharing meals with the owners of their house. At the moment they are settling in, taking time to explore the place and get to know the people around them. Pray that God would lead them to build deep friendships with those He has been preparing the hearts of.
- **YAWO:** Thank God for the visit Ian had to Malawi to work on the Ciyawo-English Dictionary project. While in Malawi many people wanted to meet with him, especially believers from the fellowship groups and some of the leaders in the emerging faith community. Pray for these believers and leaders to be good witnesses in their communities. Give thanks that the work on the dictionary project continues to be thorough and at a high quality. Pray that at the completion of dictionary, it will empower Yawo people, increase employment opportunities and assist cross-cultural workers as they learn to communicate with the Yawo.
